RE: MINERAL KING (Sierra Club v. Morton,
Civ.Act.No. 51464 WTS, U.S.N.D.Cal.)

Dear Ms. Koch:

Please refer to our conversations in which you expressed your desire that you be added to the complaint as plaintiff in the Sierra Club's legal action against government officials to prevent Walt Disney's massive ski development. I have today served and filed the appropriate papers, copies of which are enclosed.

This letter will confirm that I and my co-counsel, John Hoffman and Barry Fisher, are authorized to represent you in this matter. It is understood that we, and not the Sierra Club Legal Defense Fund, Inc., are representing you as individuals. Our obligations to you are exactly the same as any other attorneys would be. However, we represent you only with regard to this lawsuit and not with regard to any other matter. In particular, we will undertake no action on your behalf to influence legislation or of a political nature.
